## Changes to the timetable since the last edition.

**Service 64:** Timetable revised with minor timing adjustments to improve service reliability. Pikingtonbus operates this service on behalf of Lancashire County Council.

**Service 65:** Route and timetable revised, adjusting both ends of the route. Between Nelson and Fence, the route has been revised to serve Barrowford and Nelson & Colne College, with Lomesthaye replaced with the extension of Service 69. Between Padliham and Burley, the service operates direct, improving journey times throughout the route, with Lowerhouse and Sycamore Avenue continuing to be served by the more frequent Service 64.

It operates generally every two hours during Monday to Saturday daytime and in conjunction with Service 66, continues to maintain an hourly service between Fence and Nelson.

Preston Bus Ltd operates this service on behalf of Lancashire County Council.

**Services 66/67:** Route and timetable revised with better coordination of both services to maintain the direct service over Pendle between Clitheroe and Nelson.

On the Nelson side, both routes continue to serve Barrowford and Nelson & Colne College, and on the Ribbles Valley side the services will maintain the regular bus services for those rural communities between Barley and Clitheroe.

Following customer requests, times of key journeys serving Clitheroe schools have been adjusted to better meet student movements within the restricted capacities of the vehicles required to access the route.

The Sunday Service 66S, previously just Summer only, operates all year round to offer daily public transport access across the main communities of the combined Service 66/67 routes.

Preston Bus Ltd operates these services on behalf of Lancashire County Council.
